Dedication

To the teacher of the year: Mr. Personality himself—

Because of your interest in the students of New Brighton High School and in the school itself, you have displayed your talents not only in teaching English and health, but as:

Junior Class Sponsor, Hi-Y advisor, play director, an artist, dance chaperone, defender of liberty in the service of our country.

With these thoughts in mind, we have chosen this way to express our gratitude—Mr. Grant, this is your book.

This year the schools of New Brighton, Pulaski Township, and Daugherty Township are being operated under the title of New Brighton Area Joint Schools. The three school boards operate as a joint school committee and all business formerly transacted by the individual boards is now transacted by the joint board. All policies are now the concern of the entire membership. Through this jointure the schools receive additional money from the Department of Public Instruction for the improvement of the schools. This policy of jointure follows the trend of larger operating units for more economical management and to provide equal educational opportunity for all children.

Class Poem

TIME MARCHES ON

A new Dawn awaits the graduates,
Of the Class of '53.
It is for us to put our trust,
In the God of Liberty.

Into the Valley of Life, we go, the Class of '53.
A backward glance, reveals a glorious history.
As freshmen, our achievements were quite amazing.
We made great gains in spite of the hazing.

The record of the sophomores did reveal,
A zest for knowledge with fervent zeal.
Our guidance programs were so inspiring,
Our three one-act plays were equally surprising.

Time marches on! In our junior year
We had more courage and nothing to fear.
We were proud after passing our drivers' examination.
"The Brain Storm" was our first big presentation.

We witnessed our varsity co-champs of 1950 fame,
Become W. P. I. A. L. champs of the football game.
Our Junior-Senior Prom, "The Treasure Island Ball,"
Was a success and a pleasant memory to all.

Our senior feats were high-lights, we must confess,
We presented "Curtain Going Up" with very much success.
Exciting games our teams did play,
Fond memories we'll recall for many a day.

Many laurels and honors our class did rate,
This is our last year, and now we graduate.
Class Night—Baccalaureate—Commencement—all in rapid order.
Then we suddenly realize our high school days are over.

Our hearts are filled with remorse and regret.
Our friends, our alma-mater, we'll never forget.
Turn back, O turn back! O time in thy flight!
Please make us freshmen again if only you might.

Our Officers Speak . . .

When the going gets hard, first think of how you remedied these problems in school—they're not so difficult after all.

To those planning for college: work hard to prepare yourself now, and you'll profit by it later on.

To the seniors going into the business world: Always do your best and no one can complain.

Problems are never solved by worry, but only by using one's common sense.

"... Life is real! Life is earnest!

And the grave is not its goal;

Dust thou art, to dust returnest,

Was not spoken of the soul. . .

Lives of great men all remind us

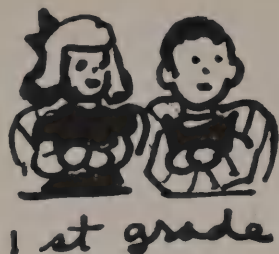

We can make our lives sublime,

And, departing leave behind us

Footprints on the sands of time . . ."

Class Prophecy

A rub and a wish and he shall appear,
The Genie from a land that's far yet near.
To obey each wish and command he'll try
A rub of the lamp and he shall appear in the sky.
A magician from Africa to India came
Seeking a lamp, his fortune to gain.
Aladdin, the boy, one day be met
Sending to the cave with death as a threat.
In the depths of the cave beneath the ground
A tarnished gold lamp Aladdin found.
Back at the entrance, the old magician slept
As past him through the darkness, Aladdin crept.
Upon reaching his home, he rushed through the door
And cleaned the lamp to see what was in store.
From the shining lamp the Genie appeared
To give news of events of future years.

A rub and a wish and he shall appear
With news of those government officials we jeer.
The president, cabinet, and senate, too,
May be occupied by one of you.
As president, JACK PETERS, we find,
With JANE RIDDEL, private secretary, not far behind.
Along with JIM KAIRIS, the trusty mailman,
We find THELMA JACKSON, a loyal fan.
THELMA GALLAGHER works hard behind the switchboard,
Although she wishes she was working for Ford.
With the F. B. I., JO ANN COOLEY and BEVERLY GLASS are found
Looking for criminals in the sky and on the ground.
As photographers working at difficult jobs
Are CHARLES SMITH, WILLIAM CIGANIK, and JOHN COBBS.
JANET GROSSGLASS and BOB BRUBAKER
Prove good lawyers against any faker.
In the president's plane performing many feats
Are hostesses, GERRY UEBELACKER, SHIRLEY BALDERSON, VERA CURCIO, and
PATTY JO TEETS.
Flying to France as ambassador at large,
ELEANOR MANN of foreign affairs has been placed in charge.
As the president's chief advisor during the war
LOIS EPSTEIN likes her extensive trips more and more.
In the White House, the job of keeping records straight
Is the work of BEVERLY FOX as Secretary of State.

A rub and a wish and he shall appear
Aladdin's next command the Genie did hear.
A spacious office building Aladdin wanted to see
Filled with many workers the building will be.
In gold, BOB THOMPSON's name is printed on a door
As president of the firm he is found on the first floor.
In the outer office Aladdin did find
Bob's secretary, CLARA LEZOVICH, with papers to sign.

In another room in a tiny nook
 Was POE DALBEY with his accountant's book.
 Sitting at a desk that was newly bought
 Was his first assistant, KATHLEEN WATT.
 Chewing on their pencils and working very hard
 Were RUTH and ELLYNORE KNALLAY checking a card.
 JEAN ROUSH and MARLENE ZIVITZ were trying to see
 Where in the files their notes could be.
 JOANNE DAVIS and LESLIE REYNOLDS were on the phones talking
 While VINNIE BATTAGLIA, the safe was securely locking.
 LOIS OWENS and FRANCES BYERLE were busy as bees
 Trying to figure the cost of lawyer's fees.
 In another office, on the second floor
 Aladdin found JIM CAMPBELL's name on the door.
 The owner of a coal company was he,
 In his employment many people will be.
 GERRY SMIESKA and GINNIE PULLION, stenographers are they
 Taking many notes, they have a busy day.
 In the office are BUNNY PETUCH and SHIRLEY MYER,
 They also are in the company's hire.
 At the switchboard are CHARLOTTE MCGARRY and JOANNE ROSE,
 They receive and send out messages as the company grows.
 LINDA KELVINGTON and LOUISE BECKERT like typing work
 From the most difficult tasks they never shirk.
 PAULINE FELTON and NANCY HARTLING each working as a file clerk
 Find that locating special information is much of their work.
 SARA SANDERS and DOROTHY TATKO are figuring the employees' pay,
 A task, which we all know, requires several days.

 A rub and a wish and he shall appear
 With news of those service men and women we cheer.
 The army, the navy, and the marine corps
 Give training, excitement, and experience galore.
 In the Women's Air Force group
 NORMA ROMBOLD, SHIRLEY EDWARDS, VIRGINIA CARVER make quite a troop.
 As mechanics tightening the bolts
 Are JANET VAN LEAR and MARY ANN MARECIC doing away with the jars and
 jolts.
 SHIRLEY MILNE has joined the Waves it seems.
 With the women we are able to form great teams.
 BETTY HOOKER is chief secret service aide,
 All important news on her desk is laid.
 As the jet stops we find in the cock-pit
 RAY COAKLEY, the pilot, doing his bit.
 We see RONALD KOTOFF's dream is complete,
 As mechanic in the air force he can't be beat.
 DON OURS, PAUL RAMSEY, ELLSWORTH FARMER, and LEROY WARD
 Find filling plane gas tanks a joy, so as not to be bored.
 Busily driving trucks doing eighty to the front lines,
 Are ART THOMPSON, BOB HARRIS, and WAYNE HARTMAN without worry of
 fines.
 There they find soldiers who are both hungry and cold,
 JIM RIDDEL, JOHN SNOWDEN, and MICKEY CRAWFORD are still bold.
 BILL MURPHY, a sailor is he,
 Studying to be a radar man without fee.

BILL POWELL, JIM KUTTERS, and DON WILCOX, and WESLEY YOUNG
Form a fine group of heroes with victories unsung.

A rub and a wish and he shall appear
As through the darkness comes a vision quite clear.

Crowds of young people filled the college halls,
And the sound of voices rang from its walls.

The bell between classes having shortly sounded,
Youth director NANCY DUNN by pupils is surrounded.

Around the corner JACK BALDERSON's voice is raised
As the unhappy freshmen shrink before his gaze.

To learn sociology they come today,
But, for DON SWAFFORD's style of teaching they have nothing to say.

Teaching business arithmetic to all students within reach
DON ALBANESE undoubtedly finds an answer for each.

The lack of interest in American history is well known
But through PATRICIA CONROY's teaching some has been shown.

From ELEANOR CARTER, the English teacher, all students learn
After four years of this subject their diplomas they earn.

NANCY McNITT and MARY HOOKER, art teachers are they
Explaining how to paint in the very best way.

JOYCE BONNELL and LOUISE HELBLING as Home Ec. teachers
Explain cooking and sewing in all of their features.

Religious Education, which has long needed backing,
Is taught by JO ANN CRAIG with nothing lacking.

Football coaches, BOB SHROADS, HAROLD ENGLE, and RUDY KALCEVIC
Have built up a team none other can lick.

DICK McCANNA and BILL PASQUALE back this strong team,
Confident of victory these college boys seem.

A rub and a wish and he shall appear,
To tell of the labor of the engineers.

As they work with pencil and paper in hand,
To fill this country's growing demand.

Within the main office President DAN HUNTER presides
As the principal problems of the firm he decides.

FRANK VUKICH in his office has many papers to sign,
As vice-president of the company his day starts at nine.

Orders for supplies for the busy men
Are taken by JO GRECICH and CLAIR SMELTZER at ten.

Two draftsmen can be seen working at their desks,
CARL BLACKBURN and HAROLD FRANTZ are merely doing their best.

Mechanical engineers OLIVER HOLSINGER and PAUL JACKSON
In this line of work great fame have won.

As a chemical engineer JACK MORGAN's brains are a guide
With JANETROSE GILLILAND in the laboratory by his side.

In the electrical branch of this large company
GARY HERSHELL at its head is as busy as can be.

DON GILLESPIE, PHIL POPOVICH and CARL PLASSMEYER work hard to prepare
For planes, a new type of light to reduce glare.

WALTER GORGAS, a civil engineer of renown,
Is supervising the building of a road into town.

Beautiful vases and dishes rapidly appear
Made by BEN HARDESTY, ceramic engineer.

A rub and a wish and he shall appear,
 To show Aladdin a large hospital that is near.
 The rooms are filled by people who are ill,
 Their health is cared for by doctors with skill.
 At the reception desk SHIRLEY GILPIN sat,
 NANCY COUCH was putting on her nurses' hat.
 Supervisor MARTHA ANN FEZELL was seen in the hall,
 "DR. SAM SHEFFIELD," the loud speaker did call.
 In the kitchen, DELORES GILLILAND, the dietitian was working,
 While in the corridor, DON MITTICA, a patient was lurking.
 ANNA GARNET, supervisor on the first floor,
 Explained to NANCY DOCKTER about her chore.
 In, ORVILLE AMMON the ambulance driver rushed,
 All the noise in the hospital was suddenly hushed.
 LELA WEBER, THELMA DAUER, and SHIRLEY STEFFEN came to see
 If, of any great assistance they could be.
 DORA CORNELIUS in the nursery did find
 Several tiny babies to which she was kind.
 DOLLY CAPO and RUTHIE LOVETTE in room number three
 Were as gentle with a patient as they could be.
 DR. DICK CARDOSI had had a busy day,
 He bade nurse JOAN LOWERY good-night as he went on his way.
 RUTH ANN FUNKHOUSER in her work had tried,
 When the long day was over she relaxed and sighed.
 A rub and a wish and he shall appear,
 The news of the theater makes us shed not a tear.
 Singers, dancers, and magicians alike
 Provide good entertainment as they step to the mike.
 Our tour of the modern theater takes us through the door
 To see the work of the interior decorators, JIM FORREST, MERCIA NEUGEBAUER,
 JOAN BURGESS, and SHIRLEY MOORE.
 As manager of the theater is CAROL BLANKENBICKER.
 The entertainers and she over salaries do dicker.
 HAROLD MOLTER and TED GREAVES don't worry very much about the large tax
 Since each one has his own band playing instrument, respectively, trombone
 and sax.
 As concert pianists in a great flurry
 We find doing a fine job, CORA PHILIPP and JACK HURLEY.
 As singer who else but crooner GEORGE SNOW
 While every girl in the audience goes wild swooning low.
 DOROTHY CONNER has trained her horse very well.
 As each trick is done without error, it's not hard to tell.
 Touring with NORMAN GRANZ's organization,
 RICHIE SMITH is met by a cheering crowd at every railroad station.
 To watch the trained animals with their respective rider,
 Has meant great work for their trainers JACK WURZEL and DON SNYDER.
 A rub and a wish and they did appear,
 Memories of those scenes which we all hold dear.
 As we part and go our several ways
 We hope for success through all our days.

Senior Class Play

In the first semester of our senior year, we presented a new comedy "Curtain Going Up." Our audience experienced something new and different, for our players sometimes betook themselves into the audience, oblivious of their presence, to perform their roles. You may recall the play was set in the auditorium of Riverview High School. The play director was meeting her cast for the first time. The cast was an assembly of the "brains" of the school to the "slow" but lovable football hero. There was even the school cut-up who finally mastered his "trig" to retain his place in the cast.

Here was a play within a play exposing to the audience all the headaches a high school coach endures during rehearsal for her cast to give its best performance. The jealousy of leading ladies, the prestige of a community play house actor, tension of several love affairs, the editing of the school annual, feuds between faculty members as well as a faculty romance enhanced the story for the audience. As in most plays about high school life, there was a principal, a harrassed parent, a disgruntled janitor, and an actress of questionable popularity.

Comments on the production were very favorable and many were no doubt prompted by the novelty of the director down in the audience and of students and teachers tearing through the auditorium.

Carol Powell, Secretary; Dick Hummer, President;
Georgia Merriman, Treasurer; Dolly Cosentino, Vice-President.

Another milestone has been taken in our high school career.

As freshmen we went in a daze not knowing what it was all about; our initiations, the rooms that all looked alike, and the new rules and regulations.

Our sophomore year we came out of that daze and became a little more active. In dramatics we had a night of three one-act plays, and had lots of fun working with the play directors. The boys of our class became interested in sports, mainly football and basketball, and we had a good representation in both.

However, our junior year was the best. Our activities increased and more of our class participated in the various clubs, band, chorus, and sports. Our boys sparked the football team which won seven games and lost three. They were also a big help on the varsity basketball team. We had our first three-act play, entitled "It's a Date" directed by Mr. Grant, who is also our class advisor. Then came the big event near the close of the school year, the Junior-Senior Prom, which was a gala affair enjoyed by all.

We well remember that September morning which ushered in the new school year of 1951-52. In no uncertain terms we were guided to the balcony which was to become our home for the next nine months. As the year continued we gradually tossed aside that tinge of green that had become our unhappy lot and assumed, at least outwardly, an appearance of dignity.

Now as "high" and "mighty" Sophomores we have acquired that feeling of superiority complex toward the freshies as was our experience from last year's upper-classmen. Likewise, a distinct privilege was bestowed upon us this year as we were permitted to change our abode on "the shelf" to the auditorium's main floor.

We have worked hard during the year to complete most favorably all tasks that have been assigned us. Especially was this true in making our three one-act plays a great success. Needless to say our acting ability displayed some of the talent vested in this class.

All of us are looking forward to the junior year where we are anticipating higher goals and a banner year of achievements.

Freshman Class

It was way back on the third day of September, nineteen hundred and fifty-two that we first entered the doors of New Brighton High School.

After six struggling years of grade school, and two in Junior High, we have advanced to become dignified young ladies and young gentlemen.

We showed the "upper-classmen" we could endure the harassing and bewilderment of being a "greenie," in starting our career in N. B. H. S. We did so by having our class well represented in sports, and musical organizations.

We received a very capable "helping-hand," in our struggle to become adjusted to our high school life from Mr. Kelbaugh, our class advisor.

To serve us in our first year in high school we elected the following officers:

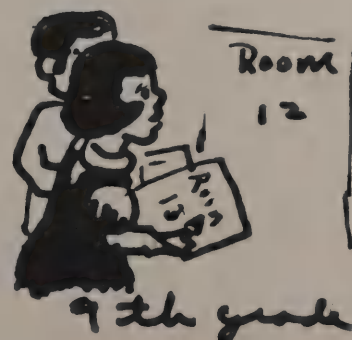

Officers

President.....Susan Dunn

Vice-President.....Tommy Schley

Secretary.....Sue Hadfield

Treasurer.....Martha Hooker

 ROW 2—Bob Brubaker, Walter Gorgas, Eileen Higby, Joan Anderson, John Marko, Pete Garvin.
 ROW 3—Mr. Miller, John Hopkins, Jerry Fry, Alice Kennedy, Frank Field.

All the members of the Student Council must have an 85% or above average. There is one representative from each homeroom and the presidents of the Hi-Y and the Tri-Hi-Y. The group is under the capable sponsorship of Mr. Miller. It is divided into three committees: the School Spirit Committee, the School Property Committee, and the School Activities Committee.

The Council sponsored the Christmas program for the students which was given before the Christmas vacation. Another of their projects was the student election on November 4, in which the homeroom representatives distributed ballots in the rooms and conducted the voting in a most democratic manner.

For either boy or girl, journalism can be best experienced on the staff of our mimeographed paper published once a month. For knowledge of our school in all aspects, this would be the most explicit source. Besides pages of black print you will find some drawings to add to the enjoyment of reading the paper. All information is donated by students who are journalists on their free time. The staff works diligently to please its readers in each successive issue under the capable supervision of Mrs. Johnson and her aides.

Are you a girl who enjoys basketball, volleyball, softball, or any other type of sports? Then if you do, you must join the G. A. A. This club offers the athletic part of life by its meetings, tournaments, and play days. It makes the football season a success by the football crowning. For

obtaining money they have bake sales and sponsor Friday night dances. To end a successful year, a banquet is held and the girls working diligently throughout the year receive awards for their toil.

To Miss Jean Barnes we must give praise for her sponsorship of the G. A. A.

Tri-Hi-Y Cabinet

BACK—Miss Shelar, Dorothy Thompson, Dorothy Pasquale,
Janet Grossglass, Thelma Dauer, Nancy Dunn, President.

As a girl proceeds in high school life, one organization she may join is the Tri-Hi-Y. This club is busy by their selling of bookcovers and basketball pencils. Their meetings are interesting as well as enjoyable through the contributions of experienced speakers and a diversified program of entertainment. For the climax of the first semester, the Christmas Formal "Frost Fantasy" was this year's project. In the second semester plans were laid early for sponsoring the crowning of the May Queen. To remember these times your Tri-Hi-Y pin will serve as your favorite reference. The success of the club is attributed to the guidance of Miss Elizabeth Shelar.

For reading all types of books and becoming acquainted with the duties and services of the library, a girl may join the Library Club. With their social gatherings she may come into contact with the social circle and world of reading. They help bring cheerfulness into the library by their dainty yet colorful decorations on various holidays. Only by their inexhaustible cooperation under the leadership of Miss Martha Hamilton can their services best be appreciated. We extend a bouquet of success to them.

The Usherettes are called upon to serve at all high school activities and also to serve outside organizations that may present entertainments in our auditorium. This year the girls helped in the new stands at the football games, too. The club membership consists of 20 seniors, 14 juniors, and 8 sophomores.

The members really enjoy their ushering assignments. They become well acquainted with the towns people who attend the school functions, and they improve their own poise and self-confidence by meeting these people. Mrs. Johnson, the able advisor, was a big help in taking the girls over the rough spots that came up during the year.

The scientific method of today's achievements can be best explained to anyone by being a member of the Science Club. Its year of activities includes lectures on scientific problems, movies of educational interest, and experiments for explaining the whys and hows to the careful observer. Membership to such an organization can be obtained only by maintaining a scholastic average of 80% or better. The club closes the year by sponsoring a party with all kinds of games and food galore. To Miss Campbell a bow of gratitude is due for her capable direction.

Hi-Y

Jack Morgan, President, and Jim Campbell, Vice-President.
Harold Molter, Treasurer; Jim Kairis, Secretary;

A boy desiring membership in a boys' organization should be interested in the Hi-Y. Their meetings are held throughout the school year with prominent speakers and occasional movies. Their unique ideas are put into practice by their supervision of the annual pep rally preceding the rival game between New Brighton and Beaver Falls. At a football game they greet you at the gate by selling football programs. Each year from the money they are able to obtain by various means, the club purchases some item that will be of service to the school. Basketball is another activity in which the boys engage. Congratulations must be bestowed on Mr. Grant for his skillful leadership.

Everyone around school appreciates the work of the Stand Committee, at least everyone who has ever gotten that "hungry feeling" at any of our games. The Stand Committee, composed of 14 seniors, always seemed to be right there with lots of good things for us to eat. Besides keeping the students of NBHS well filled, they made corsages of Crimson and Gold and sold them for all loyal fans to wear to the New Brighton-Beaver Falls football game. Another of their projects for the year was the selling of name cards to the seniors. Their advisor, Mr. Sheehan, did a fine job, and the Stand Committee has had a wonderful year.

Joan Cheerleaders

FRONT—Beverly Petuch, Shirley McClain, Gerry Smieska.
 BACK—Dolly Cosentino, Joanne Greaves, Joan Anderson

There's a reason to buy and a reason to sell . . .

There's a reason why Brighton should holler and yell . . .

The best reason why Brighton should holler and yell is the six peppy cheerleaders that lead us in cheers at the pep meetings and games. In order to have their cheers polished up as best they can, the cheerleaders spend a lot of time practicing. Besides this they plan all the pep meetings for the football season, and this is a task that is not to be taken lightly. They also help select and coach the reserve cheerleaders. This year our girls have bright new uniforms for basketball season, crimson jumpers and gold blouses. They surely do make a pretty picture out there on the gym floor. Gerry Smieska and Bunny Petuch shared the duties of head cheerleader this year, and Miss Bergan filled the capacity of Faculty Advisor.

Stage Crew

FRONT ROW—Bill Hall, Tom Schley, David Hall.

BACK ROW—Jim Kairis, Phil Popovich, Bob Thompson, Jim Bonnell, Bob Parsons.

A lot of the "behind the scenes" work that most of us take for granted is done by the group of hard working guys known as the Stage Crew. Whenever there is any kind of program on our stage, such as chapel, class plays, special programs, or outside functions, the Stage Crew is back there, keeping the lighting at its best, making sure the "mike" is at the right volume, and opening and shutting the curtains at the right time. Besides this, the Stage Crew goes over to the gym before every dance and sets up the P. A. system, selects records, and helps in all the little details that make our dances more enjoyable. Our thanks to the boys who made our stage productions turn out so well.

FRONT ROW—Don Myers, Don Albanese, Walter Gorgas, John Shuster.
BACK ROW—Janetrose Gilliland, Catherine Miladin, Linda Kelvington,
David Douglass, Eugene DeMarco, Gary Couch.

At 8:00 every morning during football season, the familiar strains of the band could be heard at the Oak Hill field, as the band learned and practiced the drills and formations which enabled them to put on snappy half-time shows. A particularly enjoyable show was "The Story of Two Alumni" presented at the Beaver Falls game.

The concert presented in March was arranged especially for audience appeal, ranging from "Bach" to "Boogie." Besides our new band director, Mr. Robert Drumm, to whom much of our success is due, there were many other new attractions this year. The new pit band plays modern theatrical music for the class plays. Harmony and theory classes have been organized to prepare students for future musical work. New instruments have been added, including two altoniums and a concert drum. Night rehearsals in the gym enabled us to put on better shows. Twenty-two seniors including three majorettes and one drum major will leave the band this year. We look forward to another successful season.

Starving Six

Left to Right—Ted Greaves, Jerry Gaido, Eugene DeMarco,
Leroy Mason, Bob Brubaker, Harold Molter.

Wow! The Hungry Five has the “new look,” since the addition of a drummer made them the Starving Six.

Their music was enjoyed at pep meetings and at the football banquet. The boys have been doing a fine job on their jazz numbers.

Good luck in the future!

Mixed Chorus

ROW 1—Joan Berrill, Sally Muoio, Evelyn Ehrenberg, Virginia Pasquale, Merlene Bolland, Claire Figley, Kathleen Watt, Peggy Fezell, Mary Fruth, Jo Ann Lowry, Catherine Ashton, Nancy Paff, Carol Blankenbicker, Thelma Dauer, Joan Rose.

ROW 4—John Shuster, John Peters, Arthur Thompson, Bob Darragh, Jim Kairis, Dick McCanna, Bob Brubaker, Bob Anderson, Richard Smith, Sam Sheffield, Ellsworth Farmer, Ted Greaves.

This year the Mixed Chorus built a fine reputation around its fifty-seven voices. This select group of vocal musicians performed admirably in their rendition of the "Messiah" at Christmas and in the Spring Concert. Besides the programs which they work out for the school, they were requested by the Ministerial Association to sing special selections at the services for the presentation of the New Standard Revised Bible and for the Thanksgiving program. The chorus is under the direction of Mrs. Geraldine Robinson.

 ROW 3—Helen Hendrickson, Marion Drake, Jane Popovich, Alice Bolland, Susan Dunn, Judy Teets, Martha Hooker, Peggy Matchett, Louise Zinsser.

By far the largest of the musical groups at school are the Girls' Choruses. This year the large number that were eligible made it necessary to divide them into two different groups and as such they have shown their ability to make the switch by forming two excellent singing groups.

The Girls' Chorus is open to all girls in the freshman, sophomore, junior, and senior classes having study halls and the desire to sing.

During the year, the girls under the supervision of Mrs. Robinson, have worked diligently to prepare themselves for their several appearances.

The Chorus Concert found the girls dressed in gowns at which time they favored the audience with several numbers. Then there was Baccauareate. The girls made a pretty picture in their white blouses and dark skirts. It was then that they sang The Beatitudes by Deis Malotte, Three Chorales from the Passion according to Saint Matthew by Johann Sebastian Bach.

Thus is shown that both choruses have performed to a masterful degree this year as one large chorus even though they practiced as two.

Boy's Glee Club

ROW 1—Jim Ireys, Jerrold Boulding, Jay Funkhouser, Joe Hardy, Ken Crawl, Paul Fruth, Larry Albanese, Jerry Campbell.

ROW 2—Charles McPherson, Bill Bair, Jim Forrest, Ronald Buck, Leroy Ward, Bob Dick, Jim Miller, Dick McCanna, Ted Caplinger.

ROW 3—Dick Hummer, Lawrence Thomas, Don Wilcox, Jim McDanel, Dick Darragh, Earl Gardner, Don Swofford, Jim Pringle, Bill Karban, Ken Ashton.

A hard working group of boys who give up those all important fourth period study halls are those who belong to this chorus. This is the newest of the singing groups. Although only three years have passed since their organization, they have participated in almost all musical programs since their initial meeting.

Quintet

One of the smaller organizations in our musical department is an ensemble composed of four lads and a miss who produced such sweet harmony and all around good listening that in our book they are tops.

Left to Right—Frank Field, Jim Kairis, Claire Figley, Ted Greaves, Bob Anderson.

Quartet

Jerry Gaido, Bob Brubaker, David Coen, Richard Smith

Give them a song of a girl like "Eveline" or one with spirit like "Clancy" and you can't beat these four song birds. Their popularity has grown over the past couple of years and the success with which they sing together explains why.

Triple Trio

LEFT TO RIGHT—Virginia Pasquale, Kathy Watt, Martha Fezell, Linda Kelvington, Joan Lowry, at piano, Mercia Neugebauer, Merlene Bolland, Beverly Lynn, Thelma Dauer, Carol Blankenbicker.

Nine lovely girls with nine lovely voices blend together in sweet harmony. The girls have done fine work for the Women's Club, Tri-Hi-Y meetings, and the concert.

Chapel Pianists

We are very grateful for the fine music supplied at all our assemblies. Our chapel pianists are divided into two groups. One group is the regularly assigned group and the other is the relief pianists.

SEATED—Jim Langnecker, Paul Fruth.

The "Lion Eleven" came through a successful season this year with seven wins and three losses. This record does not completely show the merits of the team since the two Class A teams which subdued them went on to play each other for the W. P. I. A. L. championship.

The season opened with a one-sided Class C clash with Darlington High School. Jim Kairis plunged over in the first quarter and kicked the extra point to start the scoring. Darlington was blanked while Bill Pasquale, Fred Denson, and Rudy Kalcevic each scored once, with Frank Vukich taking two passes from Dick Hummer all the way. Four more extra points by Jim Kairis set up the totals at 41 to 0.

The first Class A encounter of the season was with Hopewell and ended with the Lion's roar still undiminished. The first score came in the second quarter with Jim Kairis plunging over and adding the placement to climax a sixty-one yard drive. The Lions' second tally came in the third

stanza when Dick Hummer intercepted a Hopewell pass on his own forty and scampered sixty yards for a TD, with Kairis again adding a placement. This ended the scoring and blanked the "Vikings" 14 to 0.

All hope of a third year in championship competition was lost in a very hard fought struggle with German Township, who made an early score. Our Jim Kairis was able to plunge over to tie the score. Before the half, however, the Uhlans were able to gain another TD on quick opening plays. The Lions fought hard in the second half but failed to capitalize on several scoring opportunities as the Uhlans won 13 to 7.

The fourth straight game at the Oak Hill Field gave the Rochester Rams a thriller down to the last second. The first half saw the Rams dominating most of the action but ended scoreless. The second half started with the Crimson tide taking the kickoff and driving all the way to the four

yard line. Here a huge hole was opened for Kairis to score easily. The conversion was missed. Early in the final stanza the Rams scored and added the point to take the lead. With but seconds to go the Lions again proved themselves "king of beasts" as Kairis scored from the two yard line. The extra point was successful ending the scoring at 13 to 7.

The Beaver Bobcats, who had been hampered with injuries, fell as an easy mark to the mighty Crimson surge. Kairis drove over in the first quarter and "Mickey" Crawford scored in the second with Kairis making one of the conversions. Later "Sammy" Sheffield picked up several well-placed blocks to start him on a seventy-seven yard run which netted six points. Kairis added the seventh. He then plunged over again in the third stanza and a pass from "Rudy" Kalcevic to John Ferrence added six more points in the fourth quarter. Another conversion by Kairis set the tally at 33 to 0.

Braddock proved another easy mark for the Brighton boys. In the first quarter Sam Sheffield scored around end from the seven to paydirt. In short order Braddock tied the score at 6 to 6. Nevertheless before the half, a pass from Crawford to Bill Pasquale put the ball in position for Sheffield to score again. The start of the final stanza saw Kairis hand the ball off to Crawford who fired a perfect pass to Dick Sylvester on the dead run for another TD. Kairis added another point. Sheffield later intercepted a Braddock pass setting up another tally in which Crawford found Pasquale covered, but able to catch a pass in the end zone. Kairis again converted, leaving the score 26 to 6.

The Crimson team met the Ford City Glassers on their own territory but suffered no ill effects. Crawford started the scoring by taking a hand-off on the nine yard line and going all the way. A little later Kairis plunged over to add six more points. The Lions could not prevent one Glasser TD. With the half nearing, a pass from Crawford to Sylvester clicked for the third touchdown. The third stanza went scoreless and it was not until the last of the fourth that Kairis could again reach pay dirt. The tally stood at 24 to 6.

The valiant Lions were crushed by the powerful Midland Leopards, who completed the season undefeated and with the championship. The first quarter went scoreless, thanks to a good pass defense by Sheffield. The Leopards made two sizeable drives in the second quarter for tallies but failed to convert. The second half saw the Leopards taking the kick-off and going all the way. Toward the end of the period it looked like they would score again but Dan Hunter picked up a fumble near the goal and raced eighty-nine yards, only to be stopped eleven yards short of the Midland goal. His efforts were not in vain, however, as Kairis powered over for six points. The Leopards scored on two more long drives and added an extra point to make the score 33 to 6.

The greatest thriller of the year took place as the Brighton "Buzardmen" met the Monaca "Brunomen" at Oak Hill. The first stanza ended scoreless, as two hard drives were stopped. In the second quarter the Indians drove seventy-one yards for a touchdown. The extra point was made. The Lions fought back as Vukich took a pass from Kairis and went all the way. Jim missed the conversion and the score remained 7 to 6. In the third quarter a shower of accurate passes brought the ball in position for Sheffield to drive over. Kairis made the placement. A Brighton

fumble paved the way for seven more points for the Indians. The Lions took the kick-off and started a great drive which was climaxed by a perfect twenty-two yard touchdown pass from Crawford to Sylvester. This ended the scoring at 19 to 14.

When the Lions came up against the Tigers in the traditional game of the year, they met the stiffest competition that they had met in a long time. To add to the dismay they were without the passing and running ability of "Mickey" Crawford. Nevertheless the Lions showed a great fighting determination. As the game started, the Tigers kicked off and could not stop the ball from being carried to their own eighteen. Here Joe Walton intercepted a pass and ran eighty-five yards to score. By the half the Tigers had a 20 to 0 lead. After the half the Tigers took the kickoff and were able to go all the way but that was their last. The last great Crimson drive failed. In the last quarter, they reached the Tiger eighteen but a fumble occurred and the Tigers won 26 to 0.

The reserves under Mr. Croft came through the season in fine style, as their record well shows. What little they lacked in weight was more than compensated by a lot of fight, the will to win, and by the way they all played as a team for the team.

Most of the scoring was done with passing involving Dave Pasquale, John Ferrence, and Dick Hummer. Hummer's hard driving and Joe Salamone's educated toe also added considerably to the tally.

The Junior High squad was very small this year, being outweighed by every opponent by at least ten pounds per man. Although they did not have a successful season in the way of scoring under their coach Mr. Franco, they have gained the values of good sportsmanship, and the will to win, no matter what the odds, along with the fundamentals of football. With these well in hand, there is nothing that can stop them from attaining greater glories in the years to come.

The Lions started the season with an exhibition game at the Dormont High School floor. New Brighton was defeated by the narrow margin of 35-33, Ferrence and Sheffield both scoring eight points.

The Brighton five played their first game on the home floor and came through with a 51-45 victory over the Ellwood City Wolverines. John Ferrence again took honors with 11 markers.

For the third contest of the season, New Brighton traveled across the river to Beaver Falls. After leading the first half, the Crimson crew faltered and the Tigers won, 51-46. Chuck Roth hooped 12 points.

The Lions lost to Coraopolis on the home hardwood by a score of 54-46. Roth scored 9 points.

Avalon next traveled to Dawes Gym, and was downed by New Brighton, by a 53-47 count. Ferrence tallied 12 and Crawford 11 for the home team.

The Crimson quintet journeyed to Sewickley, and shellacked the Indians 57-43. Ferrence scored 15 and Crawford 14 for the victors.

The Butler team was the next opponent for the Lions. They defeated us by a 57-43 count, Crawford tallying 11.

At Leetsdale the Lion men were victorious by a 47-43 count. Ralph Voskuhl poured 18 points through the hoop to pace the scoring.

For the first league game of the season the New Brighton cagers traveled to Monaca. They were soundly thumped by the Southsiders to the tune of 66-47. Ferrence scored 12 for the losers and Makoweicki 25 for the Indians.

Hopewell next faced the Lions and were promptly downed 59-51. Ferrence and Sutherland both scored 14 points.

Midland walloped the Lion five by a 67-40 score. Roth, Voskuhl, and Ferrence each had 8 markers and Mike Karas scored 21 for the Leopards.

The Millermen visited Wampum and were beaten by the Class B Indians by a score of 80-60. A bright spot was the performance of Chuck Roth who ripped the cords for 29 points, tying a school record.

On the home floor the Lions swamped Freedom 64-44, Roth accounting for 15 markers and Voskuhl 16.

New Brighton defeated Beaver, 65-54, on the Bobcats' floor, Voskuhl scoring 21.

The Rams of Rochester just managed to get by a determined Brighton team as they won 55-50 in a spirited fray. Ralph Voskuhl paced the scoring column with 15 points.

The Crimson five took one of their worst drubbings of the season from the eventual Section VIII winners, as Monaca won by a 62-29 count.

The proteges of Coach Miller bounced back with a 62-54 victory on the home floor of Hopewell. Voskuhl led the scoring for the fifth straight game, as he counted 20 points.

Midland again tromped over the Lions by a 77-37 margin. Roth tallied eight for the losers.

In a non-league contest Wampum defeated New Brighton 72-52, as the Lions employed a semi-freeze in the last half to hold the scoring down. Voskuhl accounted for 13 points and Crawford 12.

Freedom won their first league game of the season, defeating the Lion quintet, 62-60, on the Bulldogs' floor. Collins sank a hook shot with seconds left to clinch the victory for Freedom. Roth and Voskuhl each scored 17 for the losers.

At Dawes Gym, New Brighton once again conquered Beaver 55-41. Richie Smith led the parade with 13 markers.

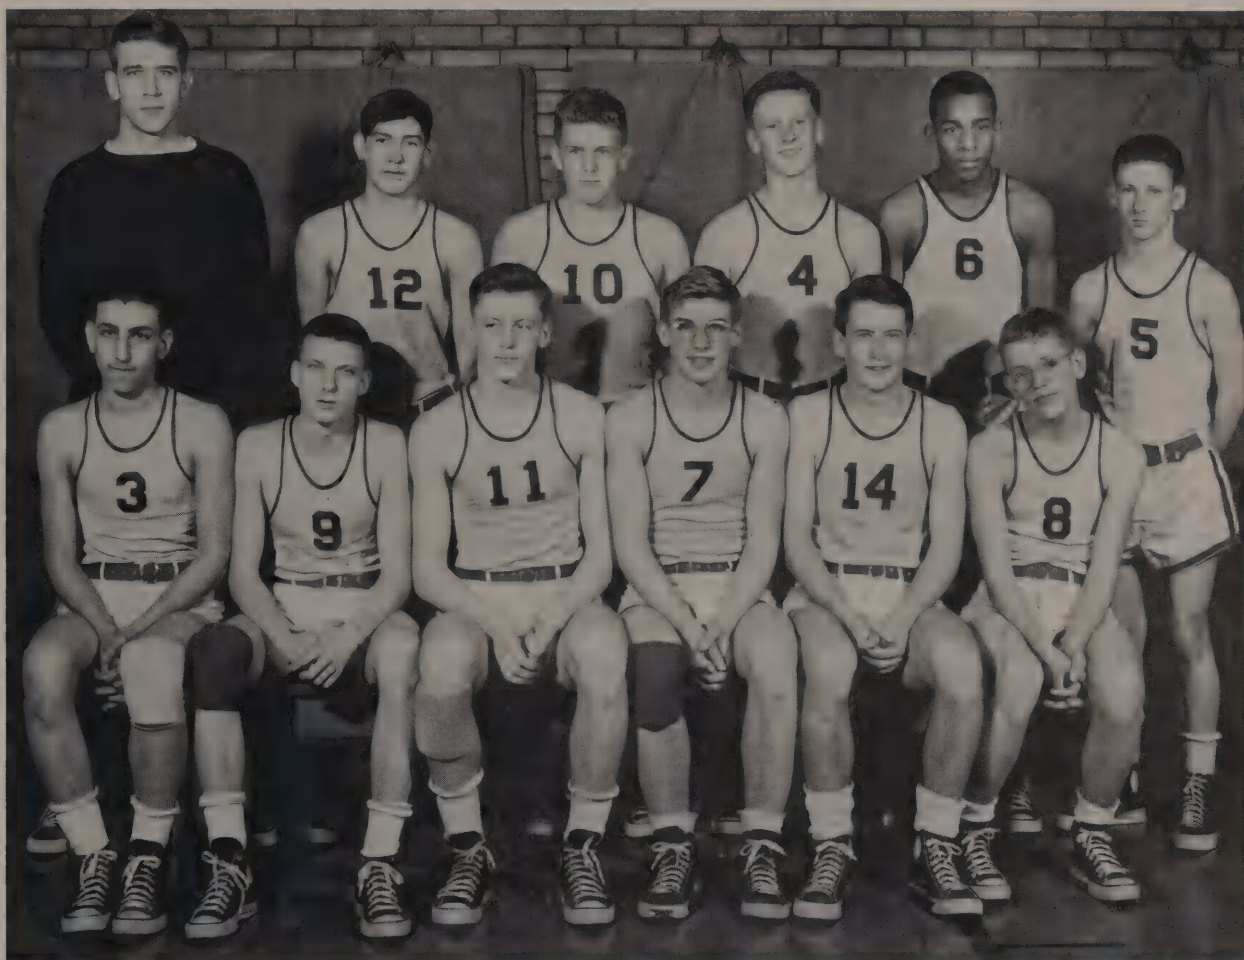

For the second time, Rochester barely squeaked by the Lions 62-60, in an exciting game which saw the lead change hands several times in the closing minutes. Ralph Voskuhl scored 19 points.

New Brighton won 4 while losing 6 in exhibition play, and had 5 wins against 7 losses in league games for an over all total of 9 wins and 13 losses. We finished in fourth place in Section VIII, behind Monaca, Midland, and Rochester. This was an excellent record since Coach Miller had no returning lettermen from the previous season.

This years' Reserve Team provided many excellent games for the fans. They seemed to have a tendency for close games, and there were several overtime contests. Next year they will be playing for the varsity, and one of the boys will have a starting position.
